

## MACHINE-DATA

|                  |                          |
|------------------|--------------------------|
| Machinetype      | : Bench Drilling Machine |
| Make             | : WÖRNER                 |
| Type             | : B8                     |
| Year             | : 1986                   |
| Control type     | : conventional           |
| Control          | :                        |
| Storage location | : warehouse              |
| Origin           | : Germany                |
| Delivery time    | : on request             |
| Quotation        | : EXW                    |
| Price            | : on request             |

## TECHNICAL DATA

|                                   |                      |
|-----------------------------------|----------------------|
| bore capacity in steel (diameter) | 8 mm                 |
| throat                            | 165 mm               |
| bore stroke                       | 70 mm                |
| speeds                            | 780 - 10.000 U/min   |
| table surface area                | 250 x 230 mm         |
| total power requirement           | 1,2 kW               |
| weight of the machine ca.         | 0,087 t              |
| dimensions of the machine ca.     | 0,73 x 0,32 x 0,72 m |
