

## MACHINE-DATA

|                  |                           |
|------------------|---------------------------|
| Machinetype      | : Plate Shear - Hydraulic |
| Make             | : SAFAN                   |
| Type             | : VS310-6                 |
| Year             | : 1980                    |
| Control type     | : CNC                     |
| Control          | :                         |
| Storage location | : Unterschleissheim       |
| Origin           | : Netherlands             |
| Delivery time    | : on request              |
| Quotation        | : FCA                     |
| Price            | : on request              |

## TECHNICAL DATA

|                               |               |
|-------------------------------|---------------|
| sheet width                   | 3000 mm       |
| plate thickness               | 6 mm          |
| cutting angle                 | 0,5-2 °       |
| quantity of oil               | 150 l         |
| total power requirement       | 15 kW         |
| weight of the machine ca.     | 6,2 t         |
| dimensions of the machine ca. | 3,9x2,2x1,7 m |

## TECHNICAL DESCRIPTION

*Front stop on the left,  
2 support arms,  
motorized rear stop,  
manual adjustment of the cutting gap,  
1 set of spare knives*
